The Real Estate Savings Card

Don't Buy or Sell a Home Without It!

Your Complimentary "Real Estate Savings Card" can be worth hundreds if not thousands of dollars when you are ready to buy or sell a home or other real estate. It can earn you Cash Rebates, Discounts, Credits at Closing, and/or Bonuses from Realtors, Builders, Mortgage Lenders, and other Local Real Estate Service providers throughout North America.

Simply follow these 3 Steps:

1. SIGN UP for your Complimentary Real Estate Savings Card. There is no cost to you, but we do need your street address so we can send you an actual card unless you can download plastic. J

2. ACTIVATE your Savings Card when you receive it - Bookmark this website or page now so you can register your card's 7-Digit Number Card when you receive it. If this sounds like too much work for a few hundred or a few thousands dollars in savings, well that's the best we can do.

3. PRESENT your Savings Card to any Real Estate Service Providers you may choose and ask them if they will honor it for a Better Deal. We can't speak for all service providers but most of the real estate professionals associated with The Real Estate Savings Center Network are free to negotiate their fees, and many do offer Cash Rebates, Discounts, or other Value Added Services with Savings.

If you have a preferred real estate professional in your area that is not yet affiliated with our Network, have them call us Toll Free (877) 222-7587 and we will do our best to get them to participate with The Real Estate Savings Center Network. Thank You!
